NORTH CENTRAL SOLID WASTE AUTHORITY
RESOLUTION 2025-01-01
SELF-HAUL SERVICE WHERE HOUSE-TO-HOUSE PICKUP IS NOT AVAILABLE

WHEREAS, North Central Solid Waste Authority (NCSWA) provides residential solid waste collection and hauling services to unincorporated portions of Rio Arriba County; and

WHEREAS, customers in rural service areas may self-haul based on distance from established route and / or nearest established road where house-to-house pickup is done; and

WHEREAS, allowing customers to self-haul household waste to collection centers can reduce the cost of providing service in rural areas by eliminating the equipment, fuel and personnel costs associated with house-to-house pick up.

NOW THEREFORE BE IT RESOLVED THAT THE NORTH CENTRAL SOLID WASTE AUTHORITY SHALL:

1. Allow Rio Arriba County residents to self-haul a set amount of household trash established by NCSWA general manager.
2. Encourage self-hauling by offering a reduced rate for customers who self-haul.
3. Customers who self-haul will be responsible for the return of the polycart, failure to do so will result in residential service charges resuming and another polycart fee being charged to that customer
4. Existing restrictions and requirements for the disposal of large items, excess trash, commercial waste, construction debris, tires and other non-household waste, shall still apply.
5. Any customer who receives the self-haul discount and then changes to house-to-house pickup will be billed the full-price for services and therefore be responsible for hauling their polycart bin to an established route for pickup.
6. This discount is for residential household waste only and is not offered for commercial services and residents under an existing HOA or POA agreement.
7. This discount cannot be combined with any other discounts which may be offered.
8. This discount is only for residential customers in the unincorporated portions of Rio Arriba County and approval by NCSWA must be given prior to placement of self-haul.
9. The rate established by NCSWA general manager must be paid on an annual basis, the only exception to this would be a new customer, who therefore would be offered a pro-rated amount based on date of account being established.
10. Permit cards will be issued to all self-haul customers, any lost or stolen permit cards will not be replaced.
11. Self-haul service is not available to multi homeowners.
