

## Ohkay Owingeh Ash Pile Update

### One-off Removal of existing ash pile

Item	Description	Per event cost	Comment	Cost
Transportation	Española to ABQ (WM)	\$875 per round trip	Two possibly three round trips	\$1,750 to \$2,625
Disposal	Green Incinerator Waste	\$71/ton	Total tonnage	\$710 to \$1,065
Poly Bins	Best container option	No charge for this one-off event	Victor loads ash into poly bins	
			<b>Total</b>	<b>\$2,460 to \$3,690</b>

They are ready to roll with this.

### Ongoing Ash Removal with Stericycle

- Steven Peterson of Stericycle has given us the green light that our ash pile is indeed non-hazardous and it currently setting up disposal contracts with Waste Management in Bernalillo County.
- Once this is completed, Stericycle will start coming out to the site at Ohkay Owingeh to start moving the ash pile.

Cost is looking like this:

Disposal	Green Incinerator Waste	DIR-LF01	Ton	\$ 71.00
Transportation	Espanola to WM ABQ	Trans	Flat Rate	\$ 875.00
Equipment	Bin Rental x 2	Equipment	Day	\$ 15.00
Transportation	Demurrage	Trans	Hour	\$ 120.00

There is a 14% Energy and Insurance rate that will be attached to the overall **monthly bill**

- They will move the ash pile as much as we need to, it will just reflect on each month's bill for the amount of ash we decide to move each given month.
