Application for Handicap Route Status

Per Resolution 2018-013

All customers who wish to be placed on a Handicap route must fill out this Handicap Application and get it notarized that they are authorizing North Central Solid Waste Staff to enter their property to retrieve the polycarts to provide trash collection services, and that North Central Solid Waste Authority will not be held liable for any damages caused.

I understand that I (Name, Account #) _____,
_____ am authorizing North Central Solid Waste Authority to enter my yard and pick up my polycart because I am placed on the Handicap route.

I understand that North Central Solid Waste is not held liable for any damages caused in the normal course of providing trash collection services to my account.
