To whom it may concern,

I hope this letter finds you well. Chamita Fire Department is reaching out to ask for your support for our volunteers and our department as a whole. We couldn't do the work we do without the support from our community. As we strive to make a positive impact in Chamita and surrounding areas, we rely on the generosity of businesses like yours to help us make an impact.

We are currently working on events to bring to the community to fundraise for our department and we believe that with your support, we can make these events happen. Your donation will help buy food, supplies, and other needed items to put on these events to help fundraise and buy fire fighters the items they need to be protected in the fires. Our department is fully volunteer work so the work we do is very appreciated but without the community's help we are unable to do the work that we do. Every donation, no matter the amount, helps us out tremendously and is very appreciated. We want to assure you that your contribution will be used responsibly and efficiently to further our mission.

Once again, we thank you for your support and thinking about our department. We are truly grateful for individuals and businesses like you. If you have any questions or would like more information about our current fundraisers, please feel free to contact Chamita Fire's Chief (Manuel Joseph) at 505-927-5754.
